Known and unknown friends have trusted us to be a part of big and small adventures. We are suppliers to races and adventures across the Oceans, expeditions to the top of Mount Everest, through the deepest jungles of the Amazon, across deserts and of course to the North and South poles.

Don't get lost again! – Get out there™

For print info and areas see www.silva.se

Field 11

The perfect compass for hiking, nature walks and sailing for all ages. Shows the main directions with the cardinal points in the capsule. Built-in safety whistle. Print on the back or inside the compass housing.
 Art.no. 35335-2001

Field 26

A full-function mirror-sighting compass at a very attractive price-point! Large sighting-mirror and mm/inch map measuring scales. Lightweight and compact design. Perfect for land and sea navigation, where accurate sightings are needed. It floats! Print on the cover or inside the compass housing.
 Art.no. 35134

Forecaster 10

Thermometer and compass combined. Small, handy and always available on your backpack, jacket or key ring. Blue or black. Print on the back or inside the compass housing.
 Art.no. 35197 black
 Art.no. 35198 blue

Field 7

Probably the worlds best selling compass model! The small size and the rounded back of the base plate makes this compass an ideal youth/beginners compass for all kinds of land navigation. Map measuring scales mm, 1:50k and 1:25k. Declination scale inside the capsule. Print along the base plate or inside the compass housing.
 Art.no. 34855

19L Mapguide

"Clip-on" compass for easy fastening on the map. Useful for all types of map reading. Fixed liquid filled compass housing.
 Art.no. 35640

Ranger 27

Small in the pocket but big in the outdoors! Ranger 27 has everything you need from a mirror-sighting compass and more! Built-in sun-watch and a pin-on jacket function for hands-free use. The perfect back-up compass for every navigator. Print on the outside of the cover or inside the compass cover.
 Art.no. 35844-1011

Ranger 3

A classic base plate compass also used by defence forces around the world. Built-in magnifier for detailed map reading. Luminous strip on the needle. Map measuring scales mm, 1:25k and 1:50k.
 Art.no. 34820

Micro 28

A real base plate compass, just miniaturized and with a fixed housing, making it very easy to use. Ideal for advertising imprints thanks to the 'tailor-made' print area across the top front of the compass. Print along the base plate or inside the compass housing.
 Art.no. 35916-2601

58 Kayak

A compass designed for kayaking. Clips on by straps, to the deck of the kayak.
 Art.no. 36528-0601
